

Triumph once again accompanies the Distinguished Gentleman's Ride

Triumph is once again partnering the "Distinguished Gentleman's Ride" (DGR) this year. The initiative against prostate cancer will take place on May 19 this year. The aim is to ride in at least 1000 cities. Stylishly dressed motorcyclists around the world will once again be asking for donations for research and men's mental health. The most eager fundraiser will receive a Thruxton "Final Edition" from Triumph. In addition, the five other most successful collectors will receive parts from the new "Triumph X DGR" collection. Registration details and further information can be found on the website www.gentlemansride.com. Women can also take part, of course. (aum)
